# LWML IWD Retreat Ingathering

September 23, 2023

## IOWAY

- Feminine Hygiene Products  
Pads & tampons of any size/type (or if not comfortable bringing these, substitute personal care items such as shampoo, deodorant, lotion, or body wash)

*From IOWAY Director Julie Mann:*

*One of the discreetly hidden, or often not thought about needs, are feminine hygiene products. For women in our communities who are dealing with obstacles these essentials are often quite costly, but definitely not an extravagance. We are gathering pads, liners, and tampons of all sizes and brands to distribute to women in four locations throughout our state.*

*From the places I will be taking them to, there was no specific way to package, so things can stay in the original packages or can be broken down into zip lock bags of 20 items each (all the same product or an assortment).*

**\*\*Note:** You can bring these items to the retreat either in the original packaging or you can repack them as Julie suggests before you bring them. We can also work on repacking them at the retreat as time allows. We will provide some Zip Lock bags.

## Orphan Grain Train

- School Back Packs
- New underwear for men (colored boxers) women & children
- Hygiene Kits
- Quilts, blankets, gently used/new clothing

**\*\*Please drop off OGT items in the trailer.**

## Mission Central

- Gift Cards to Walmart, Fareway & HyVee  
(be sure to mark for Mission Central & \$\$ amount)

**\*\*A basket for gift cards will be located by registration.**

Thank You for your Donations!
