

## 50 Days Ablaze! Sunday School Bible Memory Verses Keychain Tags

**Suggestion:** To help the children memorize the Bible verses, make them “keychain” tags that they can fasten on their backpacks, belts, etc. and use as a learning aid.

### To make:

1. Print out the Bible verses on 2” x 4” labels. Cut out pieces of card stock paper 4 ¼” by 2 ¼”. (Use a different color for each week, and insert the Ablaze! logo with the Bible verses.)
2. Print out each child’s name on 2 ½” by 1” labels. Adhere the Bible verse to one side of the card and the child’s name to the other. (Children frequently leave Sunday School materials behind. By printing their names on the keychain tags you could return the “lost” ones to them very quickly.)
3. Laminate the sheets of tags and cut them out.
4. Punch a hole in the upper left corner of each tag
5. Place the tags for the first week on the key chains. (JoAnn Fabrics or other craft stores carry them.)
6. Make up small envelopes marked with the children’s names to store the remaining tags.
7. In class each week, the children recite the previous week’s memory verse and receive a new tag for the upcoming week. If anyone is absent, the teacher could make sure they receive their tags.

This is a lot of work, but the reward is worth it. It is of great assistance to the children. They enjoy collecting the colorful key tags and reciting the verses.
