

Jesus Bracelet

Materials Needed: One strip of leather 17 inches long by 1/8 inch wide. One each of the following colored pony beads: clear, black, red, white, blue, green, and yellow.

Instructions:

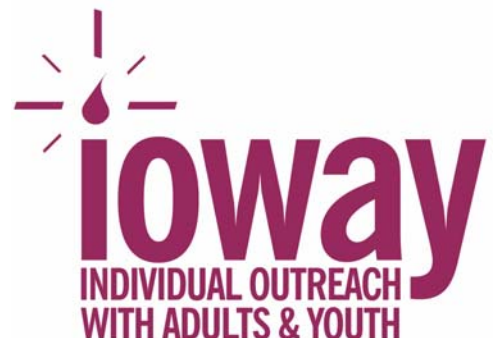

1. String the beads onto the leather strip in the following order: black, red, white, blue, green, yellow. It is important to have the beads in the correct order as their order tells the Gospel message.
2. Center the beads on the strip and tie a knot on each end of the group of beads. This will hold them in place.
3. Take the clear bead and string one of the leather ends through it. Take the other end of leather and start it into the hole in the bead (entering in the opposite direction). You will not be able to push it through, but by holding the two strips of leather together on the one end and pulling on the single strand on the other end, it will pull it through.
4. Tie a knot on each end of leather. The clear bead will allow you to adjust the bracelet to fit any wrist.

TIPS:

- The best price I have found for the supplies is Wal-Mart.
- You can make 50 bracelets from a 25 yard spool of leather (\$6.96)
- Cost of beads in a pack of 300 is \$1.26
- Cost of supplies is approximately 18 cents per bracelet.
- Do NOT buy black leather. It is much too thick to go through the clear bead.
- Cut the ends with a sharp scissors **at an angle** to make it easier to pull the leather through the clear bead.
- Print the 'insert' (following pages) that explain the meaning of the colors and contact information for Lutheran Hour Ministries. Print in color on white card stock paper—front and back.
- Please put each bracelet in a small zip lock bag along with the insert.
