

Rural and Small Town Grant

Grant Criteria

1. Present a clear ministry proposal, combined with a deep understanding of the challenges the church wants to solve or address.
2. These objectives should lead to a mission proposal with measurable goals and outcomes that lead to a greater connection to the community.
3. Leadership: We will give priority to Churches with leadership teams that work in cooperation with their pastor.
4. Since this is a partnership, the grantees need to contribute at least ten (10%) of the grant award amount. That will not exceed \$250.
5. Grants are reviewed and awarded four times a year when the Mission Committee regularly meets.
