

Ministry Excellence Fund - Education Debt Assistance

The purpose of the Fund is to provide assistance to rostered pastors and professional church workers in Iowa District West in addressing financial issues which undermine the effectiveness of their ministries. Workers must have an active call, working for a church or school in the District.

The Fund will be maintained as a separate account administered by the Business Manager of Iowa District West. The source of funds for this account will come from endowment contributions, legacy gifts, budget allocations, congregations, organizations, and individuals.

Funds will be disbursed for the sole purpose of providing grants to reduce the educational indebtedness of active LCMS rostered workers of Iowa District West churches and schools and for related expenses. Individuals in the employment of Iowa District West are not eligible for these funds.

The administration of applications for this grant will be conducted by a committee of at least three individuals appointed by the chairman of the Iowa District West Financial Aid Committee and approved by the District President. The chairman of the District Financial Aid Committee shall report to the IDW Board of Directors and District in convention the activity of the fund while protecting the confidentiality of the applicants.

Individuals qualifying for grants from this Fund can expect between \$1,000 to \$4,000 in assistance annually, or up to \$6,000 if the congregation participates at the maximum matchable amount of \$1,000 per year, and subject to the availability of funds. In addition to the congregation match, the

District will match dollar for dollar up to \$1,000. Congregational payments will be made to the District in the fall. Additional yearly grants for a period of five years may be requested subject to completion of grant requirements during the prior year. A new application must also be completed annually. This is a grant and not earned income.
