

Guidelines for submitting IDW LWML Mission Grant Proposals

Eligibility and Endorsement

Appeals for IDW LWML grants may be submitted by an individual IDW LWML member, society or zone with endorsements of the president and the pastor or counselor of the organization in which it originates.

Resources

Our bylaws state, "Preference shall be given to projects that are within IDW over those that would send funds outside the district". (One fourth of all mites received in our district are forwarded to National LWML for National LWML Mission Grants, and it is unlikely that other districts will fund projects in Iowa West). Therefore, our district projects are the best way to support our Iowa West needs.

Our IDW LWML by-laws state that no project receiving funds shall appear on the ballot at a successive District LWML convention.

Be sure to check current grants before beginning the process. In addition to contacting the missions themselves, consult the District, Synod and National LWML 'mission banks' to see if someone else has already adopted their need.
