

Marriage, religious freedom, and life itself are under attack.

What does this mean... and how are we to respond?

JOIN US AND GUEST SPEAKER
BOB MORRISON TO CONSIDER HOW
CHRISTIANS CAN:

- Defend life and liberty,
- Be a servant in two kingdoms, and
- Honor God the Creator & Redeemer of life.

Life and Liberty

God's Word says that we should give evidence of our heavenly citizenship by being good citizens on earth (Matt. 5:16). Bob Morrison will help us answer such questions as:

- Do we have responsibility and opportunity to speak and act as a moral compass for society? What does this mean?
- Upon what did the Founding Fathers build our U.S. Constitution... and why? What does this mean?
- "Separation of church and state." What does this mean?
- "Faith-based social justice." What does this mean?

Legalized death and re-definition of marriage do not build a future of hope. We are called by God's Word to build a future of hope as parents, grandparents, pastors, teachers, and good citizens.
