

Pre-retirement workshop for Pastors and Professional Church Workers

Mark your calendar for **February 11-12, 2010** for a retirement workshop at the beautiful Boulders Conference Center in Denison. The workshop will begin at 7 pm on Thursday and end at 3 pm on Friday.

Concordia Plan Services and Iowa District West are conducting a workshop for professional church workers and their spouses to help them better understand the process of planning for retirement. These workshops will include sessions on budgeting and finance, retirement income, envisioning retirement lifestyle, health concerns, where to live, and what to do with your time in retirement. Since retirement decisions have an impact on your entire family, the workshops are designed for couples to attend together. (You can bring a trusted friend if you are single.) All ages welcome to attend with workers 50 or over as the primary audience.

There is NO cost for the workshop (your travel and lodging are your responsibility). If you choose to relax at the conference center, call the Boulders Inn & Suites at 866-700-2206 and request the retirement workshop rate of \$71 plus tax.

We would love to have you present and make this a Valentines getaway event. To register contact Roger at roger.curtis@idwlcms.org by January 11. Workshop limited to the first 100 people.
