Zion Lutheran Church in rural Storm Lake used LCEF loan funds to fix their pipe organ and complete tuck-pointing

Zion Lutheran, Storm Lake celebrates Confirmation

Zion Lutheran Church in rural Storm Lake installed a beautiful pipe organ 30 years ago that recently needed some major repairs, plus the church building itself needed tuck-pointing. Where would the money come from to care for these ministry needs?

LCEF was blessed to serve Zion with loan funds that not only fixed the organ, but also took care of the tuck-pointing. Meanwhile Zion members and leaders continued to focus on ministry. Confirmation was celebrated this spring complete with the traditional pot-luck, and now Zion is looking forward to hosting VBS which has attracted children from several surrounding farms and towns each summer. LCEF is a servant partner of the LCMS, LCEF Vice President Carole White at 1-877-439-5233 or Carole.White@lcef.org to discuss funding needs.

Rev. Stephen Kieser and confirmands this spring at Zion Lutheran Church in rural Storm Lake
