Unchanging God in A Changing World!

The Reverend Paul Sieveking, President of Iowa District West, will be our topic/Bible study leader during the weekend. He will focus on the church today and its role in an ever changing world. Our country today is in a crisis—we live in a post-churched society, but our God does not nor has He ever changed. President Sieveking will share information and a Biblical view of this and what you as Senior Citizens in our society are being called to do! Please join us at Camp Okoboji to hear him share this message.

There will also be four small group sectionals on Saturday featuring a variety of topics. See the inside panel for details.

The cost for the entire weekend is \$110 per person. This price includes all meals, snacks, lodging and will cover the costs of any program expenses that will be incurred.
