

Looking for a mission outreach to share with your students?

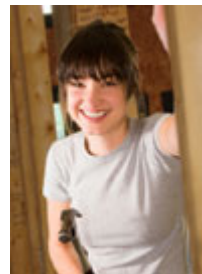

NAILS is a simple idea. Students work for an LCMS congregation or organization constructing its own facilities.

Students are paid minimum wage as an employee of the congregation or organization constructing its facilities and work under the supervision of experienced construction workers and managers, who also willingly work for minimum wage as a ministry service to the congregation/organization.

As part of the NAILS team, students will:

- Travel to other parts of the country
- Work as a team with other students
- Help churches save money
- Gain valuable experience
- Grow and be renewed spiritually
- Put their God-given skills to work

Living accommodations are provided. Call [800-843-5233](tel:800-843-5233) and check out [www.lcef.org/nails](http://www.lcef.org/nails) for additional information and [http://www.lcef.org/downloads/literature\\_rack/nails\\_studentbrolr\\_s00610\\_2008-08-27.pdf](http://www.lcef.org/downloads/literature_rack/nails_studentbrolr_s00610_2008-08-27.pdf) for a brochure on the NAILS outreach.

### Laborers For Christ and NAILS Upcoming Projects

A project with the **city in blue** has had a potential crew list forwarded to the organization for selection of the crew, and the LFC office has not been notified yet that the crew list is finalized.

If you are willing to serve on any of these projects, please go to:

[http://www.lcef.org/services/laborers\\_for\\_christ/project\\_signup.cfm](http://www.lcef.org/services/laborers_for_christ/project_signup.cfm)
