## Fan into Flame Funds Make Local Impact

“But you will receive power when the Holy Spirit comes on you; and you will be my witnesses in Jerusalem, and in all Judea and Samaria, and to the ends of the earth.”

For many years Zion, Manning has video-taped its Sunday morning worship service for rebroadcast on the Manning Municipal Cable channel on Tuesdays at 1 p.m.

“We have received many comments from non-member people in the community about how much they enjoy our church service,” explains Warren Puck, member of Zion, Manning.

Currently, Zion is using a member's personal camera to record the services. The church is planning to use the 15% of the money raised in *Fan Into Flame* that comes back to the congregation to purchase a video camera system which will enhance the ability to record the service. Zion's church council felt this was a great outreach into the community, especially to non-members.

It's still not too late for your congregation to participate in Fan into Flame!
