MyAccount Upgrades Make Managing Your LCEF Accounts Easy

MyAccount

The Lutheran Church Extension Fund is pleased to announce that *MyAccount* upgrades have been completed to better protect your confidential information as well as offer new functions and account access. These upgrades allow for more flexibility in managing your LCEF accounts with all the safety and security that you expect. *MyAccount* users will now be able to:

- View electronic statements
- Make one-time and recurring payments to outside payees
- See account balances and history in real time
- Transfer funds between accounts.

If you haven't yet signed up for *MyAccount* to manage your LCEF investment account, why not do it today? *MyAccount* promotes the good stewardship of resources. By using these financial services, you help LCEF reduce administrative costs, which in turn allows them to keep loan rates to churches, schools, and church workers as low as possible. See www.lcef.org for a *MyAccount* application under "Investment Tools."

K.I.D.S. Stamp Program and K.I.D.S. Count Curriculum

Now is the time to consider planning for a **K.I.D.S. Stamp Program** at your church or school. A kick off for your program can be held at any time. All that is needed to start a program is a volunteer coordinator and the stamps. LCEF offers \$100 worth of FREE stamps for new programs to get started.

K.I.D.S. Count Curriculum materials are a great resource for students in programs of Christian education, kindergarten through eighth grade as they learn about giving their time, talent, and treasure to God. These flexible materials can be used in the classroom, Sunday School, midweek, or in the home. Please visit www.lcefkids.org for ordering information. Order your kit today and discover how much fun teachers and students can have learning stewardship and what it means to be a Christian disciple. Our kids are vital to us, and play an important part in future stewardship for the next generation.
